Per G.S. SINGHVI, C.J.

In this petition, the petitioner has prayed for issue of a direction to respondent Nos.1 and 2 to take action in the matter of pollution caused by tyre retreading unit being operated by respondent No.3 in the residential area.

We have heard Smt. K.V.Rajashree, learned counsel for the petitioner and Sri S.V.Bhatt, learned counsel for the Andhra Pradesh Pollution Control Board (for short, 'the Board') and perused the record.

Admittedly, the Board has already issued notice dated 29-9-2006 to respondent No.3. In this view of the matter, we feel that ends of justice will be served if a direction is issued to the Board to pass appropriate order in accordance with law within a period of two months from the date of receipt of copy of this order. Ordered accordingly. However, it is made clear that no action prejudicially affecting respondent No.3 shall be taken and no order be passed against it without giving the said respondent proper opportunity of hearing.

The writ petition is disposed of in the manner indicated above.

As a sequel to disposal of the writ petition, WPMP.No.34651 of 2006 filed by the petitioner for interim relief is disposed of as infructuous.
